Quick! Use foreskin magic!
Christian culture is centered around Jews. They have holidays for Jews. They killed hundreds of thousands of white men to worship Jews. They listen to Jewish psalms. They elect a Jew as their first pope. They call you a Jew for not worshiping a Jew. They draw the entirety of their culture from Jewish mythology. They post stories about Jews. They celebrate the religious life of Early Jews. Their biggest event of the year involves the birth of a Jew. They use Jewish words like "Hallelujah" and "Amen" and name their children after Jews. When you say "Judeans/Israelites" they're not thinking of a Middle Eastern people. They're thinking of their "ancestors". Their churches are completely adorned with Jews. They worship their saints and prophets disproportionately filled with Jews and their Apostles also filled with Jews. Their men sit around dying for the King of the Jews while their women sit around praying to a Jewish mother. They worship Jews like Saul of Tarsus and Jehohanan and Thomas and the rabbi Yeshuah bar Yosef while attacking the Greeks and Romans who actually built an empire and scientific institutions before Jew worshipers took over. They hate Jews who don't worship their Jew but love Jews who do worship him. They send their Jew worshipers to kill those who don't worship Jews and celebrate when Ancient European monuments and shrines get destroyed because they don't honour Jews. They read Jewish books to a point where "Holy Lands" does not make them think of their ancestral homelands but about a desert instead. They will tell you how much they hate Jews and how they threw them out all the time and they are just pretending to live with them now but the evidence speaks for itself in that Christianity has always been and will be a religion of Jew worship.

My God only values strength, he values those willing to fight against his enemies to secure a prosperous future for our race. Anything that serves our best interests in our own higher evolution. We live in accordance to this principle, we eat the best, we learn to be self determined and strive to be as great as we can always pushing ourselves to the limit. We have zero tolerance to anything that is dysgenic and goes against our mission to evolve and become the best, this includes egalitarian Christian ideals. We hate gays, we control our women to be servants to us and we give them good lives if they do what is demanded of them, we are not selfish, we selflessly do what is demanded of us to propel our people forward, this is all that matters, this is what it means to serve our God. The ultimate respect is to die in battle, Valhalla comes in the next life, for we are eternal through our blood

Christ was NOT white while he was a man on the Earth, but he was most certainly not weak either.

He said, "For I say unto you, That unto every one which hath shall be given; and from him that hath not, even that he hath shall be taken away from him. But those mine enemies, which would not that I should reign over them, bring hither, and slay them before me."

In a parable about his very own future.
You think Christ is nice nice and the Father is the violent one, but we only have ONE GOD who calls himself different names at different times.

We are meek, not weak. One day people will forget this and get slaughtered thoroughly.

I say this as a former Roman Catholic; pray about the doubts if you have them and Christ will deliver you from the Babylonian system of worship.

Your god is a pussy that got beat up by a kike. The last time the spirit of your god awakened was Germany circa 1930. He got his ass completely blown out by the then Christian America. That weak bitch even tried to get Hachimon to help him which resulted in two A bombs getting dropped on Hach's dirt. The nip gods and the ancient Germanic gods got completely blown out in a 2 on one cage match.

"Hell" is what we get for not doing what is demanded of us to secure a future for our race. We live through our blood, the next generations where we our reborn are either "Hell" or "Heaven" through our actions right now if we decide to fight or not fight as a collective race.

Your Christian ideals that are individualistic in nature that promise a personally curated eternal punishment or eternal bliss is an inversion of truth. Blood is everything, we must act as one racially conscious entity if we want to secure "heaven" or Valhalla.
